Introduction and Executive Summary

The Municipality of French River (herein after referred to as the Municipality) is requesting tenders for the delivery of chipping services for wood-waste at the Noelville Landfill site. This invitation to tender will be non-exclusive.

Assumptions & Constraints

The Municipality will not be held liable for any errors or omissions in any part of this RFP. The information contained herein is supplied solely as a guideline for responding vendors. The information is not guaranteed or warranted to be accurate by the Municipality, nor is it necessarily comprehensive or exhaustive. Nothing in the RFP is intended to relieve vendors from forming their own opinions and conclusions with respect to the matters addressed in the RFP. Should the Municipality be contacted, no oral explanation or interpretation will modify any of the requirements or provisions of the proposal documents. No addenda to this RFP will be issued. Should changes be required this RFP would be voided and re-released under a new RFP number.

The successful vendor will provide continuous and adequate protection of all work from damage and will protect the Municipality's property from injury or damage arising from or in connection with this work. The successful vendor will make good any such damage or injury.

The successful vendor will employ only orderly, competent and skillful employees to ensure that the services are carried out in a confidential and respectable manner.

The successful vendor will ensure all services and products provided in respect to this proposal are in accordance with, and under authorization of all applicable authorities, municipal, provincial and/or federal legislation.

The successful vendor will, throughout the term of the contract, obtain and maintain in force a General Liability Insurance of not less than \$2,000,000 (per occurrence) inclusive, to indemnify and hold harmless the Municipality of French River against any liability for property damage or personal injury, including death which may arise from the vendor's operations under this contract; and/or The successful vendor will be required to provide Professional Liability Insurance coverage in the amount of not less than \$2,000,000.00 per occurrence.

The successful vendor and its employees may have access to information confidential to the Municipality. This information may include, but is not limited to, terms of this agreement, business methods and systems, contractual terms, pricing, personal information, etc. subject to disclosure by force of law, the successful vendor agrees that it and its employees who have access to this information will not either during the term of the agreement or at any time thereafter reveal to any third party any of this confidential information or use in any way, whether on the successful vendor's behalf or on behalf of any third party, any such information. The information, reports, documentation, plans, etc. that are a product of this award by the successful vendor, will become the exclusive property of the Municipality of French River.

Terms and Conditions

Relating to the submission document:

- Provincial and Federal Taxes (H.S.T.)** – Tenders shall include applicable H.S.T. taxes. This tax shall be shown separate from the unit price. The respondent shall include with the executed documents, at the time of submission, on company letterhead, notification to the Municipality of their H.S.T. Registration Number (if any)
- Costs, Deliverables & Timelines** – as set out in Schedule “A”
- Declaration** - Signed declaration must be submitted (Page #9)
- Specifications** – Ensure that the required specifications can be met as set out in Schedule “B”

Relating to the Successful respondent:

- **Contract** - The successful respondent may, within ten (10) days after being advised that they are the successful respondent, execute a contract in duplicate to the Municipality. A delivery date will also be agreed upon; should the agreed upon delivery date not be met, then a late fee of \$500.00 per day may be imposed. This late fee will be charged until the opinion is received and accepted by the Municipality of French River. Any/all late fees shall be paid by separate payment from the supplier.
- **Notice of Acceptance** - Notice of acceptance may be made by fax or telephone, with written confirmation of same to follow, to the successful respondent at the number given by the respondent.
- **Price** - The vendor shall abide by the price total price stated in the submission document. No further payments beyond the contract amount will be made for any additional services required to provide a satisfactory deliverable. If additional requirements are requested by the Municipality beyond the original scope of work described in this RFP, the cost of these services would be negotiated between the Municipality and the company that has been selected to perform the work. Any additional work will only be undertaken based on a request in writing from the Municipality of French River.
- **Payment** - shall be made upon receipt of invoice following the receipt of the product (net 30 days) with completion of the work to the satisfaction of the Municipality. A ten percent (10%) holdback will be retained until the opinion is accepted by the Municipality of French River, to ensure that the opinion meets the specifications within this request.
- **Termination** - The Municipality reserves the right to immediately terminate the contract for sufficient cause, including but not limited to such items as non-performance, late deliveries, inferior quality, pricing problems, etc.
- **Public Record** - Any personal information required on the proposal form is received under the authority of the Municipality of French River. This information will be an integral component of the tender submission. All written proposals received by the Municipality become a public record; once a proposal is accepted by the Municipality, and a contract is signed, all information contained in it is available to the public including personal information.

Health and Safety

General: Contractor must comply with the Occupational Health and Safety Act (OHS), the Regulations for Construction Projects, the Municipality of French River safety policy and as well as complying with the prescribed requirements legislated in the Regulations for Industrial Establishments.

Competent person: Contractor is responsible using their training, knowledge and experience to protect the health and safety of their workers and others, reporting to their supervisor the absence of, or defect in any protective equipment or device, and reporting to their supervisor, any circumstances or conditions that may limit their ability to comply with the requirements of the OHS and the Municipality of French River Safety policy.

Equipment & tools: All equipment and tools used by the contractor shall conform to Canadian Standards Association (CSA) or manufacture specifications. The Municipality of French River reserves the right to prohibit the use of any equipment and methods or practices that do not conform to acceptable standards. Defective equipment and tools shall be removed from the work site premises immediately.

PPE: All workers must wear appropriate CSA approved eye protection, hearing protection, CSA approved hard hats, CSA approved foot protection and CSA approved gloves at all time while working on the job site.
